**#11dollar4climate - 11 Dollars for Climate Change**

Dear Sustrans activists,

as part of the #11dollar4climate campagne I am donating 11 dollars.  
Please find attached 10 dollar to be invested by you in you projects which help a lot in  
the current climate change situation.

The other 1 dollar goes to Prime minister Boris Johnson with a note why he didn't get  
the 10 dollar ...

Yours
